OUR GUIDES MAKE THE DIFFERENCE

As we move into the last two months of what has been a fantastic season, we would like to highlight the hardworking guides that make hunting at Hawkeye possible. We are very proud of this crew and the experience and professionalism they show on a daily basis.

We receive countless compliments on every member of our guide staff, and nobody works harder to provide a safe and memorable hunting experience each time they set food afield. However, so much of the work that goes into the Hawkeye experience happens behind the scenes. From long days managing hunting fields,

to endless hours of dog training, to all the cold early mornings in the bird barns, our guides work hard with a singular goal in mind – giving you the best experience possible every single hunt.

If you haven't yet, please come experience what sets Hawkeye apart and enjoy some time in the field with one of the hardest working groups in the industry.

AVAILABILITY

February has a few slots open for day hunts along with limited openings for overnight groups. Our March calendar is filling up fast as well, so call today to get your dates reserved and beat the late season warm weather.

SUMMER CAMPS

Outdoor Texas Camps will again host their summer skills camps at Hawkeye. See page 2 for details.

2024/25 HUNTS

As we move into the final months of our 2023/24 hunting season, we would like to remind our valued guests that it's never too early to book for next season. We continue to see many of our guests book their next season's outings as they check-out this season. Call us anytime to get on the books for 2024/25.

Hawkeye Office: 936-598-1000

Custom Hunting Experiences

While Hawkeye’s most popular hunting experience is our Mixed Bird Hunt, which showcases quail, chukar and pheasant, we are happy to put together a custom hunt upon request. We offer pheasant only and quail only hunts and can mix in just about any combination of birds to suit your preferences. We also offer pheasant tower shoots, chukar shoots, and whitetail deer hunts, so our guests can choose a variety hunting and shooting options to fill their days.

This gives each guest the experience they want and the ability to fill their freezer with the game they most enjoy hunting and cooking.

HAWKEYE HUNTING CLUB

Proudly Welcomes Outdoor Texas Camps

We are, once again, pleased to host Outdoor Texas Camps here at Hawkeye Hunting Club this June. Responsibly teaching our youth to enjoy our outdoor heritage ethically and safely is something we all believe in, and Outdoor Texas Camps is at the forefront in doing just that. Slots for the girls’ camp are available now as are limited slots for the boys’ camps. For more information contact: Peter Velasco – peter@outdoortexas camps.com

BY THE NUMBERS:

As our diverse kennel shows, we are dog people!

01

English Pointers – these dogs are the high-energy and hard-working staple of our Hawkeye kennel.

02

German Shorthair Pointers – Rugged and unstoppable in the field, GSPs are the favorite of many guests.

03

English Cocker Spaniels – Our flushing dogs pack big dog drive into a cute little package.

04

Setters – These gentle and elegant dogs exude poise and are a time-honored field favorite.
