WELCOME TO 2024 AT HAWKEYE

As we welcome the passing of another year here at Hawkeye, we are already looking ahead to great things in 2024. We are very grateful to have such a full calendar for January and we are excited to welcome all of you back for another visit in this new year.

For those of you that have been with us for many years, we are excited to continue to share with you the improvements and additions we are always working on to make your experience at Hawkeye the best it can be. And for those of you making your first trip to Hawkeye this year, we look forward to showing you why we are

so blessed to have such loyal and valued repeat guests.

We know you have many options for your hunting and vacation experiences, and we are honored and proud to have each of you as a valued part of the Hawkeye family.

We wish you all a happy, healthy, and prosperous new year.

Whitetail Opportunities at Hawkeye

We have been very fortunate to have some nice East Texas Bucks harvested at Hawkeye this season. Our whitetail program is really coming into its own during this second season of more intensive management including various nutrient dense food plots, protein and mineral supplementation, and extended seasons under our TPWD MLD permit.

We still have a few permits available for both buck and doe, so now is the time to call and reserve yours before they are gone. And remember, our guides welcome hunters of all skill and experience levels and are happy to help with whatever your needs may be!

Meet “Doc”, Our Newest Addition

Doc is our newest kennel addition here at Hawkeye and he is quite a head turner. This beautiful German shorthair pointer is two years old, already has experience in the field, and is now entering our finishing program to ensure he provides the best experience possible for our guests. Doc is very athletic, has a beautiful point, and will be showing off his skills later this season after he gets a “Hawkeye Tune Up” from our trainer.
