2025: HAWKEYE'S 70TH ANNIVERSARY

Happy New Year! As some of you may know, 2025 marks Hawkeye Hunting Club's 70th anniversary, and we are excited to share this milestone with all of you. Founded in 1955, Hawkeye has been in continuous operation since its inception. For its first several decades, Hawkeye was an exclusive club frequented by politicians, corporate executives, and notable personalities from all over the country. Some years after the death of founder, Jerry Waters, Hawkeye was listed for sale and purchased by Mark and Elizabeth Brueggeman of Houston, TX. Since acquiring Hawkeye in 2015, the

Brueggeman's have worked diligently to restore Hawkeye's status as a premier upland destination, while rebranding the property as a family friendly destination welcoming a variety of guests including family gatherings, corporate groups, and even a youth outdoor summer camp each June.

As we proudly celebrate our 70th year, we look forward to sharing our heritage and traditions with you all. Remember to Like/Follow us on our social media for more 70th Anniversary news and announcements!

AVAILABILITY

We have open slots for day hunts in late January / early February. Mid – late February still has some availability as well but fills up fast this time of year. Call ASAP to get your group on the books for our best hunting weather of the season!

70 YEARS AFIELD

Watch our social media and web site to see what's new as we celebrate our 70th year of preserving the upland hunting tradition.

DEER PERMITS

We have buck and doe permits remaining for a few fortunate late season guests. Call today to reserve your stay and your chance to harvest a nice late season buck or fill your freezer with a couple of mature whitetail doe. Already planning to visit for an upland hunt? Ask about adding a deer harvest to your schedule!

Hawkeye Office: 936-598-1000

Thank You to Henry Repeating Arms

Recently, Hawkeye was fortunate enough to work with Henry Repeating Arms. We enjoyed meeting their team, and our crew was excited to begin a relationship with such a legendary American company.

We share many values with Henry, such as a love of this great country, pride in our American hunting heritage, and an appreciation of fine firearms. We are proud and grateful to now have a beautiful example of Henry's commitment to all those values: A custom Henry Long Ranger chambered in .308 Winchester. This is a great rifle, and they are available in a variety of calibers. Check them out at www.henryusa.com and take ours out for a test fire at the range on your next visit.

HAWKEYE HUNTING CLUB

Hospitality and Hunting

Whether it's the first time we've met, or we are old friends, we love welcoming you and sharing our unique hospitality and hunting experience. We work hard to make sure we have something new and different each visit for you to experience and enjoy. Maybe it's a new cocktail to try, a new dog to hunt with, a new clay course configuration or new fields to hunt. Big or small, these little additions add fun to your visit and go hand in hand with all the familiar things that make Hawkeye guests feel like family.

BY THE NUMBERS:

Find Us at the 2025 Houston Safari Club Convention

01

Come out to The Woodlands Waterway Convention center Jan. 17-19th.

03

Grab a brochure from our knowledgeable, cute, and well-trained staff!

02

Locate us at booth 702, check out our seasonal availability, and share some upland hunting stories with our crew.

04

Book some dates for your family or group and enjoy your Hawkeye Experience in 2025.
