## THANK YOU FOR A GREAT SEASON

As the smoke clears from another great, busy season, we want to take a moment to thank all of you who joined us for a hunt. At Hawkeye, we are truly passionate about what we do, and without valued guests like each of you, we would not be able to share our hunts, our dogs, and our outdoor heritage.

As soon as our last hunters leave the fields, we begin the hard work of preparing those fields for another summer of producing good huntable cover. Timber clean up, burning, mulching, and mowing are all employed over a busy 3–4 week period to prepare for our overseeding

program. All of this is done with excitement for next season in mind and we hope you will think ahead to your next visit with anticipation and excitement as well.

We are already booking hunts for 2024/25, but we encourage all of you to visit Hawkeye this summer and enjoy our peaceful lodges for a well-deserved break. We'd be happy to host your summer activities and share Hawkeye with you anytime.

## AVAILABILITY

Our spring and summer vacation rental bookings are picking up. Please call today to make sure you get your preferred dates. It's never too early to book your stay with us, as many guests book up to a year out.

## SUMMER FUN

Shotgun, rifle, and handgun shooting as well as fishing, rowboats and swimming are all activities to enjoy during our warm season bookings.

## 2024/25 HUNTS

Once again, we want you all to know that it is never too early to book for next season. We continue to see many of our guests book their next season's outings as soon as they check out from their current stay. We want you all to secure your preferred dates so call us anytime to get on the books for 2024/25.

**Growing our Flushing Dog Program**

Meet Birdie (left) and Daisy (right). These beautiful new dogs are a welcome addition to our existing group of English cocker spaniels. These two young dogs came to us from Kansas, and they are currently undergoing finishing in our flushing dog training program. Our dog trainer and guide, Bryan Hargrove, is working on turning these very good, started dogs into great finished dogs.

These dogs have both hunted for one partial season prior to coming to us. We know that, once finished with our program, you will all enjoy shooting over these energetic flushing dogs next season.

**Slow Down and Unwind at Hawkeye**

*We have the perfect atmosphere to unwind and enjoy spring and summer weather here in the Piney Woods. Cool mornings and warm days this time of year are something our vacation rental guests can enjoy while appreciating our well-appointed lodges. And, while hunting season is behind us, we have plenty of activity options from shotgun and rifle range shooting to fishing and swimming. Reserve your visit today!*

**BY THE NUMBERS:**

Field Prep in the Off-Season

**01**

Controlled burns add nutrients to the soil and remove thatch that is detrimental to new growth.

**02**

Mowing/Mulching used in rotation with burning stimulates grass growth and controls invasive weeds.

**03**

Annual debris cleanup keeps our hunting fields beautiful and accessible.

**04**

Seeding our fields & food plots provides needed supplemental nutrition.
